

## Wysox Township Road Master Report

For the Month of May 2015

### Roads

35MPH signs were installed on Hillside Drive from Rt187 to Laning Creek Rd. 12 Total. 6 in each direction.

Pothole patching in progress. Cross culverts on some roads in need of re-setting and/or replacement

Red Rock Rd some trees were cut back. Some aggregate build up under and behind guard rails were removed to allow water runoff.

Burgess Rd continuing to subside in center of the road. Contacted Fred Johnson. Fred took care of the problem. Thanks

All township roads swept at least once.

Berming and grading on some township roads. Some justifiable complaints which will be addressed.

Tree down on Spencer Rd. Wysox Fire Company cleared the road to one lane on May30. Thank you! Clean up and complete removal by township on June 1, 2015.

Several large trees and branches down during the month with no property or road damage.

### Equipment

Mounted 1000 gallon water tank on auxillary truck with spray bar and controls

Truck 1 2015 Ford F550 due for 5000 mile Ford service. Working well

Truck 2 2011 F550 Oil and filter changed and inspected.

JD Tractor Broom – Replaced brushes – Oil and filter change- serviced

Case 580 Backhoe All systems OK. Will need front bucket maintenance. AC pump ASAP. Runs and operates well.

### Future projects

Remove road tar-oil tanks as soon as possible

Two new temporary part time laborers until Todd Maynard can return to work. Tyler Bowen and Don Spencer. Bob Brown still part time.

Wysox Township Road Master Report  
July 9, 2015  
For the Month of June, 2015

Roads:

Maintenance is behind. The part time workers are doing all of the labor at this time. Due to unforeseen issues, the Road Master has been in contact with workers by phone and not in person. Culvert and pothole repairs are ongoing. Roadside mowing is ongoing.

Equipment Repairs

Replaced A.C. pump on Case Loader/Backhoe  
Replaced bearings on broom  
Replaced Hydraulic Drive components John Deer Tractor  
Replaced some hammers on boom mower  
Trucks in good working order

Building and Grounds
