

ROAD MASTER'S REPORT

For the month of April 2017

Roadwork:

1. Drove roads with Greg Dibble from PennDot and again with him and Vestal Asphalt to see what would be good for repairs.
2. Cleaned ditches and pipes from leaves during heavy rains by hand.
3. Filled pot holes with millings, also used millings to fill cross pipes on Old Sawmill.
4. Purchased a load of topsoil to do repair on Whites residence on Hillside from when Bob went over the bank while plowing snow.
5. Heavy rains made concrete barriers sink at boat launch. Took millings, leveled off and reset barriers.
6. Took 5 loads of millings to Wysox Fire Hall for pot holes in driveways at ball field.
7. Removed a for rent sign and post on the Martin property on RT 6 and delivered it to Ralph Martin per Jon Kulick.
8. Installed a Emergency Vehicle Entrance sign for Wysox EMS per PennDot specs.
9. Took some gravel to boat launch. Had a big water hole next to the road.
10. Called PSP on an abandoned car at the turn around on Glen Road Township line. Checked on it a week later and it was still there.
11. Made an out of service sign for telephone at boat launch per Kulick.
12. Purchased guide rail material for Harmony Hill. Waiting on Insingers to start.
13. Cleaned up on boat access. Picked up sticks, litter and raked gravel out of yard before Joe Wheeler started to mow.
14. Started berming using backhoe.

Trucks and Equipment:

1. Checked fluids in all trucks.
2. Repaired strobe light on truck 2.
3. Jack Williams Garage replaced power steering pump on truck 4 all works well.
4. Took plow and cinder spreader of truck 2.

Office and Buildings:

1. Took roadside safety class in Montrose with Jon.
2. Attended excavator training, put on by 811 in North Towanda with Clay.
3. Attended equipment and worker safety class in Tunkhannock with Clay, put on by LTAP.
4. Attended dirt and gravel class in Sayre at the Best Western. It was a 2 day class.
5. Swept out all bays in shop.
6. Spring clean-up and recycling.
