

ROAD MASTER'S REPORT

For the month of January 2017

Roadwork:

1. Plowed and cindered as needed
2. Called Lecce Electric to replace right hand red light at the exit of the plaza.
3. Cut trees along route 187 by Cooks pit they were out by the white line.
4. Drove roads with Vestal Asphalt for future roadwork (Hollenback, Allen, Glen, Spencer).
5. We cut little trees growing under guide rails going up Claverack Road.
6. Guide rail at Old Sawmill & Laning Creek. Intersection was all bent on the end of it. I found a used end piece at township building and replaced it.
7. Cut and trimmed trees in Dry Run Creek along our road, more to be done.
8. Had 4 pole lights out, got pole numbers and gave to Jon to call them in.
9. Installed replacement signs one on Hillside 35mph and a street sign at Old Sawmill
10. Met with Insingers on possibly putting guide rails up on Harmony Hill.
11. Received a call that someone threw junk out under the Wysox-Durell bridge on Wysox side – went down to find 2 flat screen TV's, 2 baby swings, a high chair, DVD player and 2 car batteries. I called State Police – they came and did interview. We brought all back to the Township Building dumpster.

Trucks and Equipment:

1. Cleaned truck 1, 2, 3 used salt away
2. Installed new light bulb on LH door mirror for Truck 2.
3. Put a new cutting edge on Truck 1.
4. Ordered new tire chains – ours broke after ice storm.

Office and Buildings:

1. Took everything off from the floor on bay one so we could paint the floor.
2. Painted bay one put 2 coats down and also painted new yellow lines on the floor.
3. Cleaned shop and put everything back after floor dried.
4. Called Arnolds heating due to furnace making noise in shop – he came and cleaned all 3.
