

Township Manager Report

For meeting held July 13, 2017

June Township Manager Business:

1. Abandoned gas lines in Laning Creek removed.
2. Progress Authority called – trees cut illegally on Leisure Drive (Wysox Township). 21 trees cut – all cherry. L. Ackley cut them w/o permission. Went to Progress Legal Department.
3. Completed road specs with Greg Dibble.
4. Swept Golden Mile 6-2-17 – Towanda Boro.
5. Working on municipal scanning.
6. Reviewed sub division for Maryott.
7. Obtained all insurances for old Agway. Lines/Burgess.
8. Talked to BCCD on Beers Nature Park. Park is in disrepair. Informed me that little or nothing can be done.
9. Jon Foster was in for meeting. We did WTMA debt review.
10. Meeting with Randy Williams and Jay Erb. Both parties did not agree on billing amount for Wysox School. At end of meeting – issued was handled.
11. Attended planning meeting – topic zoning.
12. Arranged for meeting to discuss meeting regarding traffic light plaza.
13. Called DEP concerning illegal mining. They visited sights to confirm that they are permitted properly.
14. Received phone call from C. Hicks. Checking zoning regulations for land purchase behind Towanda Country Club.
15. Nancy Mechling called. She wants to arrange NIMS meeting with Bob Barnes.
16. Talked to Jon Foster on proposed housing on Burgess Drive.

17. Set up meeting time and date for Road Bid Opening.
18. Drove all roads.
19. Jacksons Manufacture Home Park is really a mess. Drove it and was shocked how bad it has gotten in less than 1 year.
20. Stopped and reviewed damages with Jim Isaac.
21. Traveled to Montoursville for municipal training.
22. Attended WTMA meeting at Boro Hall.
23. Working on a permit fee schedule.
24. Working on a 5 year goal for where Township should be in my opinion. Will talk with Supervisors for input.
25. Opened bids at special meeting. All rejected.
26. Greg Dibble stopped – will rework all bid specs to Supervisors wishes.
27. Hazardous cable at Stu Rosengrant – called J. Place at Penelec – she arranged for removal.
28. Lecce raised traffic signals at Plaza and at 6 and 187. (\$3,483.96). No accidents since project. (Todd has specs of heights).
29. Ameri Energy is getting any permits from ERB. Then Township
30. S. Smeck is pondering on putting 3 – 5 homes on Burgess Drive. Will subdivide and install manufactured houses. Will need to provide sketch and plot plan.
31. Removed brush and trees around Joe Dorsey's home on Fall Run.
32. Had meeting with Bob of Ameri Energy Troop and Jon Foster. Hazmat requirements and contacts called 6 different people/agencies. Only one provided an answer on chain of command. Very poor response. I fear if we get something major, we are not even remotely ready.
33. Talked – (text) Evan on mutual aid agreements between Fire Co.. They don't exist as of today.

34. EPS of Vermont is a hazmat team 802 862 1212 approximately 2 ½ hours away.
35. Worked recycle 7 to 11:30 6-24-17.
36. Wysox Sign is in PADOT right of way. Water main is beneath it.
37. On 6-27-17 – Sherry Jackson while on lunch break, was bitten by a dog. Sent her to emergency room. Sherry has documentation.
38. Went to Post Road – ditches are a mess – talked to land owners working on solution.
