

ROAD MASTER'S REPORT

For the month of June 2017

Roadwork:

1. All roads in township mowed back.
2. A big tree fell on Glen Road by the bridge. Bent guide rail. We cut tree and straightened guide rail best that we could.
3. Pond Hill Cemetery sign was bent. Ordered new sign from Bradco and replaced.
4. Weed trimmed around both bridges.
5. Emptied trash and cleaned out grills twice a week at boat launch.
6. Tree fell on Dry Run just above Montgomery residence. Both lanes of travel blocked.
7. Weed trimmed around Welcome to Wysox Sign in Meyersburg.
8. Weed trimmed around guide rails on Red Rock and Claverack.
9. Repaired sign at plaza traffic signal (left lane must turn left).
10. Tree fell around telephone wire on Fall Run at the Dorsey property. We trimmed around wires the best we could with pole saw.
11. Patched holes on Dry Run used DSA that was left behind by contractor.
12. Cut trees that had fallen across the creek on Dry Run still more to be cut.
13. Cross pipes that were replaced last year. We dug top layer up of millings and paved over. We did these on Old Saw Mill, Hollenback, Schmiegl, Glen left to do are Allen and Grimes.

Trucks and Equipment:

1. Washed trucks.
2. Sharpened and replaced flails on mower.
3. Bearings went bad on mower roller; Replaced and repaired.
4. Shield on mower weld broke. Took shield off welded and repaired.

Office and Buildings:

1. Picked up tables, chairs, boxes etc.. So carpet could be shampooed.
