

# Township Manager Report

## For meeting held June 8, 2017

### **May Township Manager Business:**

1. Called M-K Construction to fix bent traffic light. They repaired it.
2. Wysox EXXON lot now DEP approved with minor restrictions.  
Received letter from DEP with info.
3. Bishop Brothers repaired Hillside Drive – man hole covers were depressed, they milled them out and repaved at level surface.
4. Raise traffic lights (all) see roadmaster report.
5. Attended Progress Authority meeting.
6. Contacted Jim Isaac – spoke about PEMA/FEMA and surveyed damage at his property.
7. Assisted in flagging for traffic light work 9am to 4pm for total project.
8. Reached out to Standing Stone Township to see if they wanted to piggy back on crack seal quote – They refused.
9. They had meeting with Bob Troop of Amerigreen Energy. They will be a railcar service wholesale propane distribution point at the Shale Rale location.
10. Insingers tore up road on Harmony Hill Road while installing guide rails. With our crew they fixed the problems.
11. Addressing Post Road erosion issues – getting separate quotes (3) for repairs.
12. Recycle day was done on the 20<sup>th</sup>.
13. Contacted S. Mulcher at PA DOT – not interested in putting Welcome To Wysox sign on their property at this point and time.  
Options – raise or remove

14. Trooper Novak filed final report on damaged traffic lights. Report is scanned and filed.
15. Bob Barnes will be available for NIMS Training after the 19<sup>th</sup> of June – approximately 6 at this time to attend from Wysox.
16. Worked with Greg Dibble of PA DOT to finalize road bids for crack sealing, tar – chip – slurry and possibly fiber mat.
17. Met with parties involving the Wysox School project. There was some permitting issues. All parties came together at Township Building and we resolved the matter.
18. Old Agway is being transformed into a flea market, taxidermist shop, machine shop, possibly a café, etc... - met with owners. Cleaning the place up very nice.
