

# Township Manager Report

## For meeting held October 6, 2016

### **Township Manager Business:**

1. Worked on budget with Sherry and all Supervisors (workshops)
2. Cross pipe project started. Goal of 20 pipes to be installed in 2016 – Project should finish as planned.
3. Hillside Drive paved
4. Harmony Hill complete. Waiting on Guide rail quotes.
5. DCNR Park Project still going forward renamed project Wysox Park per DCNR.
6. Dry Run Road including change orders completed – approved.
7. Bradford Towne Plaza signal light was damaged from oversize load. I called P.S.P. – called Lecche Electric, they came the next day and repaired. A hit and run was issued by PSP – Insurance Company was called PSP investigation is ongoing.
8. Ordered 18 more 20' sections of pipe from pre cast supply
9. Obtained easements for Claverack Road and Hillside Drive.
10. PSP recommend we pull all signs from Claverack Road – yield, one lane, etc... - All were pulled.
11. Chemung Supply Agent Phil Prunoske and I walked Harmony Hill. He will be providing quote for approximately 375' of Guide Rail.
12. Sherry handed notices to Hillside Residents of upcoming paving project.
13. Walked Hillside Drive – checked shoulders, seams and manhole covers.
14. Sherry attended Right To Know Class in Tioga County.
15. A fair share of September 2016 has been consumed with the overlook of 3 sometimes 4 projects going on at once. Busy Month.
