

# Township Manager Report

For meeting held February 8, 2018

## **January Township Manager Business:**

1. Bradford County Planning provided Map for Post Road Project. Parcels identification for easements.
2. Reviewed Chesapeake sign and building permits. All in Compliance.
3. Mike Wood (Wood Design) called. We are on same page for Wysox Park Project. Next phase bid out.
4. Attended Progress Authority meeting.
5. Ethics form being distributed to proper people. Statements of Financial Interest form.
6. Greg Foster is finishing last phase on Wysox Township repeater radio system.
7. Found original copies for engineer firm for Wysox Watershed future project.
8. Sherry, Ben Denault & myself met to discuss tax review for Wysox Township.
9. USDA Grant paperwork now 95% complete. Need execution signatures.
10. Zito communications had not been “user Friendly” - sent email to Vice President with concerns.
11. Attempted to get Ford Motor Company to help us with diesel engine repair on 2011 – 550 truck. No help is available.
12. Emergency order from Todd Maynard for cinders. Excessive ice forced Todd to order more before “Dry” supply runs out.
13. Called PennDOT on RT 6 & 187 intersection update. Talked to Joe Lines. Project to be reviewed again in 2022.

14. Special Public meeting held on diesel engine repair. Approved 12644 for engine repair.
15. Bi weekly recycling moving forward. Participation is brisk.
16. Called Gred Dibble/PennDOT to assist in road bids scheduled to get bids out before April 1<sup>st</sup>.
17. Bradford County EOC Grant paper work arrived. Contacted Bob Lebo to complete grant.
18. Excellent work from crew on snow and ice removal.
